

# Historical Records Project Grants

## Certification of Non-Sectarian Status Form

The Georgia Historical Records Advisory Board does not provide grants to sectarian organizations because it is prohibited by the Georgia Constitution, Article I, Section II, Paragraph VII which states "no money shall ever be taken from the public treasury, directly or indirectly, in aid of any church, sect, cult, or religious denomination or of any sectarian institution."

For grant purposes, a sectarian organization is defined as (1) a group organized for the purpose of public worship or (2) an organization unwilling or unable to assert that it is *not* a sectarian organization.

I hereby certify that

\_\_\_\_\_  
(organization name)

is not a sectarian organization as defined above.
